

## Handicraft

“Skillfull hands” is the name of the women association offering you authentic presents of north Montenegrin handicraft. Only the finest wool from The Bjelasica & Komovi is used and processed from row sheep wool to yarn. Carpets, sweaters, socks, hats, scarves with ornaments describe in various ways authentic handicraft of Montenegro.

## Herbs for tea

Mountain meadows and forests in Bjelasica & Komovi region offer a treasure of herbs and wild fruits for tea. Put the dried herbs like yarrow, nettle, blackberry, wild pansy, wild pear, wild apple, raspberry or the mixture of wild forest fruits over night in cold water. Then warm up the tea just to the boiling point. You will enjoy the taste of essential oils with natural colours.
